E- Prescribing

E- prescribing, electronic prescribing is a technology framework that allows physicians and other medical practitioners to write and send prescriptions to a participating pharmacy electronically instead of using handwritten, faxed notes, or calling in prescriptions.

Wireless Calls

If at any time I provide a wireless telephone number at which I may be contacted, I consent to receive calls (including autodialed and prerecorded messages) at that wireless number from Advanced Surgical Care, P.C., its successors and assigns, and the affiliates, agents and independent contractors, including services and collection agents, regarding my account, the services rendered or my related financial obligations.

Patient Consent

By signing this form, you are agreeing that Advanced Surgical Care, P.C., may request and use your prescription medication history from other healthcare providers and/or third party pharmacy benefit payers for treatment purposes. You also consent to receive wireless telephone calls as described above.
